*From: Wikipedia*

Founded in 1900 by Andrew Carnegie as the Carnegie Technical Schools, the university became the Carnegie Institute of Technology in 1912 and began granting four-year degrees. In 1967, the Carnegie Institute of Technology merged with the Mellon Institute of Industrial Research to form Carnegie Mellon University.....

Carnegie Mellon consistently ranks in the top 25 in the national U.S. News & World Report rankings. It is home to the world's first degreegranting Robotics and Drama programs, as well as one of the first Computer Science departments. The university spent over \$703 million on research in 2015.

NOTE: Tour requires walking on and off road and is NOT handicap accessible.
